Good morning everybody and welcome to #Legalchat! Today's topic is #ABATECHSHOW. How are we all today?

13-Apr-12 15:00 | bschorr

The obvious first question is...who attended #ABATECHSOW this year? #Legalchat

13-Apr-12 15:02 | bschorr

...errr, actually that should have been #ABATECHSHOW. ;-) #legalchat

13-Apr-12 15:03 | bschorr

13-Apr-12 15:08 | AndreaCan

@AndreaCan Hi Andrea, welcome! #Legalchat

13-Apr-12 15:09 | bschorr

RT @rbcarter @bschorr #ABATechShow got me really interested in dictation software and buying an iPad. #legalchat

13-Apr-12 15:09 | bschorr

@rbcarter Have you already bought that iPad? #legalchat

13-Apr-12 15:09 | bschorr

I thought so too! RT @sapreston: Ben Stein keynote was very good. #ABATECHSHOW #legalchat

13-Apr-12 15:11 | AndreaCan

RT @danielmills @jimcalloway's presentation on the future - one of the best presentations I've seen on the topic. He nailed it. #legalchat

13-Apr-12 15:11 | bschorr

@bschorr No...I'm a poor new law firm owner...can't afford it...yet. #legalchat

13-Apr-12 15:11 | rbcarter

Morning all:) #legalchat

13-Apr-12 15:12 | nikiblack

What was the best CLE session you attended at #ABATECHSHOW? #legalchat

13-Apr-12 15:12 | bschorr

@danielmills Agreed! @jimcalloway did an awesome job. #legalchat

13-Apr-12 15:13 | rbcarter

@nikiblack Good morning Nicole! #legalchat

13-Apr-12 15:13 | bschorr

I bought an #HP #TouchPad since #ABATechShow. So many iPads made me want something more portable than my #ThinkPad Tablet #legalchat #Palm

13-Apr-12 15:13 | AndreaCan

@bschorr A little bit. Dragon seems to be the obvious choice. #legalchat

13-Apr-12 15:13 | rbcarter

RT @gyitsakalakis toward adv. practical tech knowledge. TS should be a place w/THE most adv. tech. "Use #Tumblr" doesn't count. #legalchat

13-Apr-12 15:15 | bschorr

I really enjoyed experiencing TechShow from the vendor viewpoint for the first time now that I'm with @MyCaseInc #legalchat

13-Apr-12 15:16 | nikiblack

@bschorr Expanding your web presence with @bobambrogi & your talk on synchronizing workflow across devices. #legalchat

13-Apr-12 15:16 | rbcarter

@ChelseyLambert I used the #ABATECHSHOW app a little. It had a lot more features than most realized. #legalchat

13-Apr-12 15:16 | bschorr

@bschorr @ChelseyLambert Since I had a press pass-didn't get to access all the app's features, but suppose it was a trade off;) #legalchat

13-Apr-12 15:17 | nikiblack

@bschorr And #lexthink was awesome too. #legalchat

13-Apr-12 15:17 | rbcarter

Good morning everyone. My call was delayed this morning for another half hour so I can join in too! #legalchat

13-Apr-12 15:17 | StephKimbro

@ChelseyLambert As a vendor did you find value in the #ABATECHSHOW app? #legalchat

13-Apr-12 15:17 | bschorr

RT @StephKimbro: Good morning everyone. My call was delayed this morning for another half hour so I can join in too! #legalchat

13-Apr-12 15:17 | richards1000

@rbcarter And you had one of the more fascinating topics at #lexthink. Well done. #legalchat

13-Apr-12 15:18 | StephKimbro

@StephKimbro Hi Steph, welcome! #Legalchat

13-Apr-12 15:18 | bschorr

#TechShow product launches rock! This year @TotalAttorneys iPad/iPhone app & legal app store Total Apps <http://t.co/ZhfYxpN2> #legalchat

13-Apr-12 15:18 | edscanlan

I see #legalchat is discussing #ABATECHSHOW today. I thought it was one of best Techshows that I have attended.

13-Apr-12 15:19 | jimcalloway

I got a lot out of Tom Mighell and Sharon Nelson's talk on security for mobile devices. #legalchat

13-Apr-12 15:19 | StephKimbro

Agreed RT @jimcalloway: I see #legalchat is discussing #ABATECHSHOW today. I thought it was one of best Techshows that I have attended.

13-Apr-12 15:19 | nikiblack

@jimcalloway Somewhere @rtrautz is smiling. #ABATECHSHOW #legalchat

13-Apr-12 15:21 | bschorr

@bschorr I loved Jay Shepherd an Matt Spiegel's talks. #legalchat

13-Apr-12 15:21 | rbcarter

What was your favorite expo hall vendor at #ABATECHSHOW? #legalchat

13-Apr-12 15:21 | bschorr

I hope so! RT @bschorr: @jimcalloway Somewhere @rtrautz is smiling. #ABATECHSHOW #legalchat

13-Apr-12 15:21 | ChelseyLambert

@rbcarter Have to admit I missed #lexthink this year, but @jayshep is always popular there. #legalchat

13-Apr-12 15:22 | bschorr

@nikiblack @StephKimbros Thank you! #legalchat

13-Apr-12 15:22 | rbcarter

@StephKimbros @bschorr @fairoutcomes for me it was @willhornsby's #lexthink #legalchat

13-Apr-12 15:22 | gyitsakalakis

@gyitsakalakis I think it was either @ernieattorney or @kevinchern . Record was \$8 or \$9 #legalchat

13-Apr-12 15:22 | edscanlan

@bschorr I wasn't there. Tell me ALL about it. I'll take notes #legalchat

13-Apr-12 15:22 | FollowtheLawyer

Good morning, all. #legalchat

13-Apr-12 15:23 | huizengalaw

RT @FollowtheLawyer I wasn't there. Tell me ALL about it. I'll take notes #legalchat < We only have an hour. :)

13-Apr-12 15:23 | bschorr

.@bschorr generally speaking, "web stuff" (cloud, social, marketing, practice management). Fdbck I received from #lawyers I know. #legalchat

13-Apr-12 15:24 | gyitsakalakis

@huizengalaw Greetings! #legalchat

13-Apr-12 15:24 | bschorr

@willhornsby got the most votes with close runner's up @jayshep @FairOutcomes and @stevenjbest. My personal fav was @mark\_britton #legalchat

13-Apr-12 15:24 | AndreaCan

@gyitsakalakis Will is always hilarious at #lexthink. Who thought you could make ethics fun? #legalchat

13-Apr-12 15:24 | StephKimbros

@bschorr @gyitsakalakis from the sessions I attended, the questions were more technical, related to security than to ethics. #legalchat

13-Apr-12 15:26 | StephKimbro

I always worry that if I dive TOO deep that I'll A) Lose the audience and/or B) Run out of time. #legalchat #ABATECHSHOW

13-Apr-12 15:27 | bschorr

@StephKimbro That's the great thing about security - it's both technical and ethical. #legalchat

13-Apr-12 15:27 | huizengalaw

@stephkimbro @willhornsby has that dry delivery. Every year he is a fan favorite and cracks me up! #lexthink #legalchat

13-Apr-12 15:27 | AndreaCan

But I have heard the feedback that deeper content is better - maybe we need longer sessions or ? #legalchat #ABATECHSHOW

13-Apr-12 15:27 | bschorr

@bschorr @gyitsakalakis Maybe this is b/c lawyers are figuring out now how to use "reasonable care" to protect data per rules. #legalchat

13-Apr-12 15:27 | StephKimbro

@Chrometa and @theformtool stick out for me. #ABATechShow #legalchat

13-Apr-12 15:27 | econwriter5

RT @nikiblack: I really enjoyed experiencing TechShow from the vendor viewpoint for the first time now that I'm with @MyCaseInc #legalchat

13-Apr-12 15:28 | recessguy

@bschorr technical. i think you nailed it with "deep dive." Fdbck was some were "get started" as opposed to 0101011 #legalchat

13-Apr-12 15:28 | gyitsakalakis

@huizengalaw Exactly. You can't really completely remove a discussion about one from the other. #legalchat

13-Apr-12 15:28 | StephKimbro

@bschorr Oh please no... not longer. There's so much already! #legalchat #ABATECHSHOW

13-Apr-12 15:28 | AndreaCan

Was suggested that instead of 4 topics in Advanced IT maybe have 2 topics in Part I & Part II. Would that be better? #legalchat #ABATECHSHOW

13-Apr-12 15:28 | bschorr

RT @jimcalloway: I see #legalchat is discussing #ABATECHSHOW today. I thought it was one of best Techshows that I have attended.

13-Apr-12 15:29 | recessguy

RT @bschorr: But I have heard the feedback that deeper content is better - maybe we need longer sessions or ? #legalchat #ABATECHSHOW

13-Apr-12 15:29 | gyitsakalakis

RT @huizengalaw: @StephKimbro That's the great thing about security - it's both technical and ethical. #legalchat

13-Apr-12 15:29 | LegalTypist

@nikiblack You're so right. The challenge is to find the security level that complies with 1) clients needs and 2) the rules. #legalchat

13-Apr-12 15:31 | huizengalaw

+1 RT @gyitsakalakis: @AndreaCan I also thought @Mark\_Britton's was excellent. He "gets it" and it shows at @avvo. #legalchat

13-Apr-12 15:32 | econwriter5

@huizengalaw: @nikiblack Hmm...we've covered cloud on #legalchat before but it sounds like maybe it's going to come back around soon. :)

13-Apr-12 15:33 | bschorr

What was your LEAST favorite thing about the #ABATECHSHOW experience? #legalchat

13-Apr-12 15:33 | bschorr

RT @huizengalaw The challenge is to find a security level that complies with 1) client's needs and 2) the rules #legalchat

13-Apr-12 15:33 | MyCaseInc

Was disappointed before, now I really feel like I missed out on #ABATECHSHOW #legalchat

13-Apr-12 15:34 | huizengalaw

@bschorr least favorite--the killer cold I picked up there. :( #legalchat

13-Apr-12 15:34 | nikiblack

I won't be surprised if next year's #ABATECHSHOW chair @blorish is lurking or will read the transcript. :-)  
#legalchat

13-Apr-12 15:34 | bschorr

RT @nikiblack least favorite--the killer cold I picked up there. :( #legalchat < Me too!

13-Apr-12 15:34 | bschorr

Wifi issues in the show & having to pay for wifi at @HiltonHHonors #legalchat

13-Apr-12 15:35 | rbcarter

@bschorr I'm still getting over it! Was the worst I've had in years. And just when I thought I'd been cold-free for the season! #legalchat

13-Apr-12 15:36 | nikiblack

Not longer. Maybe make it full day Wed or Sat -or do advanced day before/after- not sure, but certainly not longer sessions, IMO. #legalchat

13-Apr-12 15:36 | AndreaCan

Least favorite thing about #ABATECHSHOW...hrm... #legalchat

13-Apr-12 15:36 | econwriter5

@AndreaCan Right, I was wondering about instead of 4 sessions on 4 topics what about 4 sessions on 2 topics - each topic deeper. #legalchat

13-Apr-12 15:36 | bschorr

I say mix up the length of sessions--some 20 min, some 30, some 40. Studies show doing so breaks it up & ppl learn more #legalchat

13-Apr-12 15:36 | nikiblack

@bschorr Maybe apps sessions? Instead of just apps--note taking apps, dictation apps, etc.? #legalchat

13-Apr-12 15:38 | nikiblack

@nikiblack Ah, like the "60 Apps" sessions. #legalchat

13-Apr-12 15:39 | bschorr

@bschorr So like a Part 1 and Part 2 of same topic -each consisting of an hour of content with break in between? That would work. #legalchat

13-Apr-12 15:39 | AndreaCan

@bschorr So you could have 20 apps instead? O2 2 25 apps sessions in an hour w/ 10 min break? #legalchat

13-Apr-12 15:40 | nikiblack

RT @psuba98 Anything to do with BlackBerry next year ;) < Will there still BE BlackBerry next year? #legalchat

13-Apr-12 15:40 | bschorr

@bschorr I meant two 25 min apps sessions #legalchat

13-Apr-12 15:40 | nikiblack

@AndreaCan Yes, exactly. Part 1 and Part 2 - each session same length as now. #legalchat #abatechshow

13-Apr-12 15:40 | bschorr

@psuba98 We actually HAVE looked into webcasting #abatechshow. Currently the costs are too high. :-( #legalchat

13-Apr-12 15:41 | bschorr

+1 MT @psuba98 #legalchat #ABATECHSHOW ...consider webcasting some content at reduced price for those who can't travel or have time

13-Apr-12 15:41 | LegalTypist

@psuba98 That's also why there is almost no video/audio recording of sessions done. #legalchat #abatechshow

13-Apr-12 15:41 | bschorr

@bschorr could also do iphone or andriod tips & tricks 25 min sessions #legalchat

13-Apr-12 15:42 | nikiblack

Totally agree "@psuba98: #legalchat #ABATECHSHOW I think Techshow should webcast content at reduced price for who can't travel or have time

13-Apr-12 15:42 | Swestfall

Ok, I have to run. Nice chatting with you all. See you next week! #legalchat

13-Apr-12 15:42 | nikiblack

Controversial question (remember, I'm NOT on planning board anymore)...how would you feel if it weren't in Chicago? #legalchat

13-Apr-12 15:43 | bschorr

@nikiblack Thanks for stopping by! #legalchat

13-Apr-12 15:43 | bschorr

Forgot to ask...was there anything you saw at #ABATECHSHOW that you've already started to use in your practice? #legalchat

13-Apr-12 15:46 | bschorr

RT @PamelaParalegal Hawaii might be nice ;) seriously, I think #ABATECHSHOW would be successful in any city...maybe even Atlanta #legalchat

13-Apr-12 15:47 | bschorr

@blorish Hey! So nice to see you! RT @blorish: @bschorr Guess I will be now! #legalchat

13-Apr-12 15:48 | AndreaCan

For those of you interested in #ABATECHSHOW webcasting sessions what do you think would be a fair price per session? #legalchat

13-Apr-12 15:49 | bschorr

Thanks, Ben! RT @bschorr: @rbcarter Have to admit I missed #lexthink this year, but @jayshep is always popular there. #legalchat

13-Apr-12 15:51 | jayshep

Other than webcasting, what would you like to see #ABATECHSHOW do differently in 2013? #legalchat

13-Apr-12 15:52 | bschorr

@bschorr Just to be able to sit & watch it live? I like \$10 as a price point, but I favor keeping things super affordable. #legalchat

13-Apr-12 15:53 | rbcarter

@bschorr I've run webcasted events; they have their own rules re pricing - one of which is cost to produce. Which is ?? to us. #legalchat

13-Apr-12 15:54 | AndreaCan

Add reservations for Taste of TechShow to the app so people can easily scoop up free tickets when other people cancel. #legalchat

13-Apr-12 15:54 | rbcarter

@AndreaCan Honestly - it's cost to produce at #ABATECHSHOW. Everything costs a ton there. #legalchat

13-Apr-12 15:54 | bschorr

@rbcarter Neat idea! #legalchat

13-Apr-12 15:55 | bschorr

\$10 might work as a price point but there would have to be a LOT of sign-ups to cover the costs. #legalchat

13-Apr-12 15:55 | bschorr

@psuba98 There is concern too many remote offerings could hurt attendance & lessen the great #ABATECHSHOW people experience #legalchat

13-Apr-12 15:55 | jimcalloway

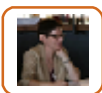

@bschorr @AndreaCan What about using something like UStream? #legalchat

13-Apr-12 15:55 | rbcarter

@jimcalloway @psuba98 Good point. The remote offerings would have to be reasonable but not so cheap that nobody goes to the show #legalchat.

13-Apr-12 15:56 | bschorr

@bschorr What unions? #newkidintown #legalchat

13-Apr-12 15:58 | rbcarter

Love it “@rbcarter: Add reservations for Taste of TechShow to app so ppl can scoop up free tickets when other people cancel. #legalchat”

13-Apr-12 15:58 | Swestfall

RT @rbcarter: @bschorr What unions? #newkidintown #legalchat < It's Chicago. You can't press an elevator button without a union helper. :-)

13-Apr-12 15:59 | bschorr

@bschorr They would need to be limited to after the event; first to attendees only ... then to the public. :) #beenthere #legalchat

13-Apr-12 15:59 | LegalTypist

Yes “@bschorr: Are you planning to attend #ABATECHSHOW 2013? #legalchat”

13-Apr-12 15:59 | Swestfall

@LegalTypist That's good thinking. #legalchat

13-Apr-12 15:59 | bschorr

I hope @sapreston is there since I think I owe him drinks “@bschorr: Are you planning to attend #ABATECHSHOW 2013? #legalchat”

13-Apr-12 16:00 | Swestfall

It's never too early to start planning for #ABATECHSHOW 2013, April 4-6, 2013, at the Hilton Chicago #legalchat

13-Apr-12 16:01 | bschorr

@bschorr Gotcha...sounds like a good reason to move it out of Chicago #legalchat

13-Apr-12 16:01 | rbcarter

#legalchat #ABATECHSHOW our webcasts are about 12% cheaper than full program and we offer 50% of tracks and all materials + vid archive

13-Apr-12 16:02 | psuba98

MT @RachRodgersEsq webcasting would appeal to law students & solos who can't afford to go. Webcasting can't compete w/in person. #legalchat

13-Apr-12 16:02 | bschorr

@psuba98 I would love to webcast some or all of the sessions - or make available for post-show. #abatechshow #legalchat

13-Apr-12 16:03 | bschorr

@psuba98 Just haven't found a way to make it work economically + concerns about hurting attendance. #legalchat #abatechshow

13-Apr-12 16:03 | bschorr

#ABATECHSHOW attendance this year was EXTREMELY strong, by the way. Close to the record I think. #legalchat

13-Apr-12 16:03 | bschorr

@bschorr Great that the dates are out already makes it easier to plan. #legalchat

13-Apr-12 16:04 | RachRodgersEsq

@rbcarter I know folks who attend on basically that schedule - every other year. Some look at the grid then decide. #legalchat

13-Apr-12 16:06 | bschorr

Any speakers you'd like to see at #ABATECHSHOW? #legalchat

13-Apr-12 16:07 | bschorr

Alright y'all I gotta do other work! Have a great day & a great weekend! #legalchat

13-Apr-12 16:07 | rbcarter

@rbcarter Bye Ruth! Thanks for being here! #legalchat

13-Apr-12 16:08 | bschorr
